G+B INSIDE

MENSCHEN BEGEISTERN
DIGITALE, HYBRIDE & LIVE EVENTS

G+B STREAMING STUDIO

Studio Munich

Our streaming studio at the Garching location is equipped for all types of modern, digital communication.

The high-resolution LED wall is an integral part of the studio and offers unlimited possibilities for brilliant and dynamic backgrounds.

Use the 63m2 action area for digital events of all kinds, whether main, company or employee meetings, conferences, talk shows, seminars or symposia.

A separate entrance as well as separated areas for staff, control room and back office are at your disposal.

The location is easily accessible by car / train / public transport at any time.

You will find further G+B Streaming Studios in Hamburg, Hannover, Cologne and Frankfurt Messe.

DIGITALE SOLUTIONS

G+B Streaming Portal / G+B Event App

Our G+B Streaming Portal broadcasts your events, trade fairs or concerts live and turns passive spectators into active event participants!

The interactive user interface can be branded individually and CI-compliant and equipped with desired functions according to your ideas.

With our mobile event app or the alternative web app, you can integrate your participants into the digitalized event and create added value through communication.

Get your event participants actively involved in what's happening!
